Relax in our indoor or outdoor pools after a great game of golf, tennis, or just for some light laps and fun. The heated outdoor pool features a snack bar and a spectacular view, with great ambiance!

Our golf club is second to none. And, the Westlake Grille, bar and restaurant — located right on site — boasts fabulous food with special event menus (a great place to bring friends and family). We even bring Broadway-caliber entertainment for performances in our beautiful ballroom throughout the year.
