

If You Enjoy Playing Golf, You'll Love Living at Westlake

Westlake Golf and Country Club is a great place for golfers and a great place to live.

Imagine waking up to a view of majestic rolling hills, carefully manicured fairways and greens, lakes and trees every day, then hopping in your cart to meet up with friends for an exciting round. And don't forget to pop into the golf pro shop or bar and grille afterward to talk over your game!

Our golf course is a full-sized, 18-hole, 6300-yard, par 71 experience. We have 6 tee boxes to accommodate all levels of golf ability.

Our course is truly a hidden treasure and the star of the Westlake community.
