WESTLAKE MASTER ASSOCIATION

The governing body of Westlake Golf and Country Club is the Westlake Master Association Board of Trustees. The Board has the financial and fiduciary responsibility to manage and administer Westlake business affairs. It has the power to establish and collect maintenance fees from all residents. There are nine Board members and each year, three residents are elected to the Board for a three-year term. The Board contracts a management company to perform day-to-day operations. The Board provides up to 6 open board meetings each year usually on the 4th Thursday of the month. The purpose of these meetings is to provide residents with community financial status, report on committee activity, consider and ratify contracts and governing resolutions and provide a forum for resident feedback to the Board. The Board also has one of its members go to the Lobby one night a month to meet with any resident, about any topic. These meetings are announced in the Weekly Update.

WELCOME MESSAGE

On behalf of the Board of Trustees of the Westlake Master Association and all the residents of Westlake, I would like to welcome you as the newest residents of our wonderful community.

I urge you to participate in some of the varied activities that Westlake has to offer. Drop by the Pub, or enjoy a meal in our restaurant. Take a plunge in our indoor and outdoor pools. Join one of our many clubs that cater to almost every interest, whether it be wine-tasting, card-playing, travel or a host of other activities offered here. Play a game of pool in the Player's Lounge or Bocce on our first class Bocce courts.

For the golfers among you, try a round at a world class championship golf course, designed by renowned golf course architect Arthur Hills. We offer a variety of playing opportunities, everything from pay as you go daily play to full unlimited golf course membership. A full description of all the possibilities is available in the Pro Shop or in the Management Office.

Lastly, I urge you to consider joining one of the many committees that help keep Westlake running smoothly. Whether it is Golf, the Pool, the Restaurant, or Building and Grounds etc., almost 10% of our households are represented on one or more of these committees. Without the help of these volunteers, Westlake would not be the fabulous place that it is.

Once again, welcome to The Wonderful World of Westlake!!!

Dennis Lafer
President, Board of Trustees
Westlake Master Association

Welcome New Resident of Westlake,

I am the Property Manager of Westlake Golf and Country Club and with my staff of three employees, work for Premier Management Associates. We work on-site at Westlake and our office is located downstairs to the right of the stairway near the exit to the outdoor pool.

Our role as the Managing Agent of Westlake is to handle the day-to-day operations as directed by the Board of Trustees. We are the contact for all vendors, committees, clubs and residents to the Board. As such, our responsibilities include handling all questions from the residents, over-site of all of the contractors in Westlake, communications with all of the committees and many others.

If at any time you have a question, issue or concern, you can stop by the Management Office, call us, or submit a resident input form. Management will determine if the question can be handled in our office, or if it needs to go further. We will advise you once an answer is available, and/or the concern is addressed.

Westlake is a beautiful community made up of wonderful residents. There are so many different activities that you can be involved in and we encourage everyone to become involved in whatever may interest you. I look forward to meeting you at the Welcome Committee Brunch and answering any questions you may have at that time.

Sincerely,

STEVE HODGES, CMCA

Activity Fliers which are included in the Westlake Journal and are available at the Clubhouse

WESTLAKE JOURNAL

The Westlake Journal is the official publication of the Westlake Master Association. Its mission is to print articles which are informative and may improve the quality of life of Westlake residents by providing a wide variety of subject material. There are printing limitations imposed by the printer, Senior Publication. There are no political endorsements printed in fairness to all parties. It is comprised of editors, photographers, writers, proofreaders, and a typist. A free classified section is provided for the personal use of all residents. WESTLAKE RESIDENT DIRECTORY

The Westlake Resident Directory provides a current listing of names, street addresses, e-mail addresses and phone numbers for all residents. The Directory is reproduced annually and is free. A six month update is also issued. The Directory is also available on the website and provides an up-to-the-minute version of the hardcopy directory.

ZELDA'S LIST

Thanks to the organizational skills of Zelda Krodman, who put together recommendations from many Westlake residents, we have a list of various professionals and trade personnel who have serviced our community. The list, available on the Westlake website, contains more than 30 categories of physicians and facilities and more than 75 kinds of repair specialists, everyone whom you might need to survive. The list contains the names of the individual or company, their addresses and phone numbers, and the name of the Westlake resident who has recommended them.

MAILBOXES

Mailboxes are standard white and must have your house number displayed in black numbers (Lennar side only) and numbers and street name (on Toll Brothers side) at least 4" high. White mailboxes tend to get black over time and must be kept clean. Clorox products work well to clean the boxes.

POOLS

- The outdoor pool is opened from Memorial Day through the end of September. The hours are posted and are listed in the Westlake Journal at the beginning of the season. The outdoor pool has recently been heated for the comfort of our residents.
- Up to four (4) guests are allowed per household and are allowed from 12:00 pm to closing when pool is open with the exception of holidays, when guest hours are extended.
- The indoor pool hours are constant and posted at the pool site.

ROADS

- All roads within Westlake are privately owned and maintained by the community.
- The speed limits are posted and should be strictly adhered to at all times. The speed limit is 25 MPH in Westlake; 15 MPH in Westlake North
- Please be especially careful near the clubhouse and other complexes where heavy automobile, pedestrian traffic and golf carts crossing increase the chance for an accident. Roadway traffic has the right-of-way at cart crossings.
- Whether walking, jogging or running, pedestrian traffic should use the walking/biking paths where available. Walking on the golf course is not permitted during golf season except for Monday's after 5PM when all maintenance is completed, and during the winter when the course is closed. Walking dogs on golf course is not permitted.
- Pedestrian traffic on the roads should go AGAINST the traffic.
- Golf carts must comply with the stop signs posted along the cart path and then proceed when the roadway is clear.

GARBAGE and RECYCLING

- Garbage collection is provided by the Homeowners Association and is collected every Tuesday and Friday. All trash is to be placed in BLACK plastic bags and placed curbside no earlier than 7 pm the night before collection. If you have a problem with your garbage collection, call the Management Office.
- Recycling materials are to be placed in yellow containers provided by Jackson Township. They can be obtained from The Department of Public Works on Don Connor Blvd., (732) 928-1200 Ext.267. Recycling is done every other Friday. Recyclables should be placed curbside no earlier than 7:00 PM the night before collection.
- The township provides bulk pick-up throughout the year. Dates will be made public through the use of the Westlake Master Association web site.
- The Township also has a bulk recycling center which accepts cardboard, newspaper, plastic, batteries, etc. located at Recycling Center on Don Connor Blvd. You must bring proof of Jackson residency. Please call for the most current operating hours. (732) 928-1200
- Computers, monitors, printers, cell phones, laser and inkjet cartridges and televisions must be brought to the Ocean County Recycling Center, 601 New Hampshire Avenue, Lakewood 08701

GATEHOUSE

Everyone in the Community should have filled out a Westlake gate access form. If you have not filled out this form please do so, and you can also update this form at anytime by stopping in the Management Office or obtaining a new form on the website and submitting it to the Management Office electronically. Once management receives a form, we then forward the information to our vendor, who inputs the information into their computer system to update the gatehouse file.

Upon a person coming to the gatehouse or calling the gatehouse from the North gate, the attendant is required to ask the person their name and where they are going. They will then check the database to see if the visitor is on the authorized list for that address, if they are, they we will be permitted to enter. If they are not, the attendant will then call the homeowner and request permission for the person or vendor to enter. If permission is granted, the person will be allowed entrance. If not, they will deny entrance. The attendant will also deny entrance if the resident is not home. Prior to entry being granted the attendant will log the visitor's name, time, where they are going and license plate number of the vehicle.

The management has made available to homeowners a preferential guest list which can be completed by all homeowners and filed at the Management Office for those guests who come on a regular basis. For those guests on the list, there is no need for the guard to call the homeowner and announce the guest.

Also, residents are strongly encouraged to call the gatehouse if you know someone is coming to your home that is not on your list, this includes delivery and contractors. The attendants keep a separate log of those calls they receive each day so they can permit entrance without having to contact the resident.

SNOW CLEARING SERVICE

Westlake Golf & Country Club is responsible to clear the snow from all roadways, driveways and entrance walks to your home, as well as the clubhouse parking lot, sidewalks around the clubhouse and the sidewalks around Pine Lakes Circle after 2” of snow. The contractor will apply ice melt once the snow is removed from all areas.

A common problem we are always faced with is the fact that cars are not moved from the roadways at the time the contractor is performing the snow clearance. This not only hinders and limits the contractor from performing an effective clean up, but also exposes the vehicles to potential damage. We urge you to anticipate snowfalls by taking the following precautionary measures:

- Keep cars parked off the roadways. Use your garage to park your car. If you park your car in your driveway the driveway may not be plowed.
- Park cars facing front forward to ensure easy getaway.
- Leave outside lights on to assist contractors.
- Do not go out in the severe winter weather unless you absolutely have to. Take some responsibility for your own safety by being cautious during the winter weather.

If there are any areas which may have been overlooked by the contractor, we would appreciate you **IMMEDIATELY** calling the Westlake Management Office at (732) 833-5011 to report this information. **Please remember that the contractor starts at one end of the community and ends at the other. Each snow storm the contractor picks a different location to start from (however, someone will always be last). Please do not direct the contractor; they cannot leave an area to assist someone else in the Community.**

NOTE: IF YOU HAVE AN ESSENTIAL JOB OR A DISABILITY THAT NECESSITATES PRIORITY SNOW REMOVAL, YOU MAY APPLY AT THE MANAGEMENT OFFICE BY FILLING OUT THE APPROPRIATE FORM.

EMERGENCY

- For any emergency, call 911. The fastest response to any emergency will be obtained by calling 911, not the gatehouse. Our local firehouse, rescue and EMS as well as other emergency responders are dispatched by the 911 call center.
- Westlake also has a Community Emergency Response Team (CERT) which educates people about disaster preparedness for hazards that may impact their area and trains them in basic disaster response skills, such as fire safety, light search and rescue, team organization and disaster medical operations. Using the training learned in the classroom and during exercises, CERT members can assist others in their neighborhood or workplace following an event when professional responders are not immediately available to help. CERT members are also encouraged to support emergency response agencies by taking a more active role in emergency preparedness projects in their community.

SWIMMING POOLS

This heated pool is open from Memorial Day through the end of September with hours posted in the Westlake Journal as well as on the Westlake website. With plenty of sun, shaded areas, and comfortable chairs, there is something to please everyone's needs.

The indoor pool is open year round with the hours posted at the site. You can take an aquasize class, swim laps, or just use the indoor pool for exercise on your own. Following an invigorating swim you can relax in the whirlpool adjacent to the pool and change clothes in our newly renovated locker rooms

EXERCISE ROOM

Across from the pool is the exercise room. We now have state of the art equipment geared for the novice to the experienced individual. We have a variety of machines as well as treadmills, exercise bikes, elliptical, rowing machines, free weights, and universal weights.

ADDITIONAL INFORMATION

The clubhouse is comprised of many meeting rooms within its two elevated floors and is handicap accessible. The Ballroom, with a full stage, is home to many shows and live entertainment performed by world class acts. There are also rooms designed for cards and Mah Jongg, filled to capacity on most nights with noisy residents having a wonderful evening out while enjoying competitive games. Mah Jongg lessons are available. There is also an arts & crafts room equipped with a fully operative kiln, instructive classes that meet regularly, a fully stocked library from which readers can borrow or donate books, a computer bank on the lower level, and a Billiard's room along with a Ping Pong Table. Movies are shown on Friday nights and Saturday afternoons depending on room availability. Bingo is scheduled on a monthly basis.

Many other activities go on at Westlake also. We have a bowling league, many exercise classes, bus trips to NYC, dinner dances, concerts, just to name a few.

For more information contact the Concierge at (732) 833-5006 or check the Westlake Website. The Welcome Book is available on the website and is constantly being updated.

GOLF

Westlake Golf and Country Club is home to New Jersey's premier Active Adult Community golf course. Our Arthur Hills designed 18 hole championship course has seven tee options and offers challenging but friendly play to all golfers.

Residents may choose open play or annual membership. Many of us began our golfing life here at Westlake and found pleasure in both the game and the friendships and social aspects that come with it.

Annual membership is available on a daily or seasonal basis and offers a choice of several cart options. Membership entitles one to exclusive privileges, the most important of which is the ability to request prime tee times. Another enjoyable membership feature is eligibility for membership in the Westlake Men's and Women's Golf Associations.

All golf fees, including guest and junior, are extremely reasonable, well under the going rate at comparable New Jersey golf courses. The 2019 membership fee is \$800.00 (tax included).

Any resident may sponsor an adult family member or friend for a Westlake golf membership even if they are not members themselves.

The Pro and Assistant Pro are always available for lessons and offer several attractive "packages" to golf club members. Additional details and pricing can be found on the community web site and are available in the Pro Shop (833-7274) and in the Management Office.

MEN'S GOLF ASSOCIATION

The Association was formed to promote an appreciation of the golfing tradition and to foster friendships in our Westlake community. The WMGA provides an excellent opportunity thru weekly participation whereby members will enjoy getting to meet other residents and make lasting friendships.

We currently have over 100 members and play tournaments in a "shotgun" start every Wednesday at 8:30 AM, from mid April to early October. The tournament format changes every week and ranges from simple scrambles to a 64 man field "Match Play".

After the game, players gather for lunch at the "Grille". The WMGA provides lunch free of charge (4) times during the season. We also sponsor opening and closing day complete luncheons for all members.

Additionally we have sponsored an annual fundraising "Prostate Cancer Outing" for Rutgers Institute of New Jersey, in partnership with RWI.

We look forward to seeing you on the course. If you have any questions or would like to join please contact: Larry Vaccarino at (732) 928-2726 larryv37csr@aol.com

WOMEN'S GOLF ASSOCIATION

The Westlake Women's Golf Association (WWGA) was formed to promote interest in and improvement of women's golf, by bringing together a group of women golfers to compete, learn and socialize while enjoying the game.

We have both 18 hole and 9 hole groups playing on Thursday mornings. We also enjoy three luncheons during the year, a fundraiser, as well as a member-guest tournament.

Additionally, we offer a "Try it – You'll Like It" period for Westlake women golf members to play once with the WWGA on Thursdays in April through early May to help in making the decision to join the WWGA. Our Pro and Assistant Pro also conduct periodic golf clinics.

Membership entitles you to guaranteed tee times on Thursdays, camaraderie and friendly competition under USGA rules. It also provides you with long lasting friendships that go beyond the golf course.

We look forward to seeing you out on the course. If you have any questions or would like to join, you can contact Diane O'Connor (732) 928-4482 occonnor.diane@gmail.com

WESTLAKE THREE PUTTER GROUP

Dan Kirschenbaum (732) 833-2008 dmkarch@optonline.net

SINGLES' CLUB

The club is a social club for any Westlake resident who wants to meet and socialize with other single residents. It is not just a ladies afternoon lunch club. In addition to the social and entertaining events/programs, we sponsor events and programs addressing specific interests, needs and issues of single living. A single resident is defined as anyone who does not live with a spouse, significant other or partner.

Our vision also includes creating a network through which our members can easily find friends and, when needed, depend on one another for support. We also want to increase our members' enjoyment of the many activities sponsored by other Westlake organizations in the company of friends. To facilitate this we will connect our members with one other and assist in arranging tables, etc. for different Westlake events and programs.

We will be supporting the Jackson Food Pantry. We may collect non-perishable items and/or monetary donations for the pantry at some events.

Our 2016-2017 executive board and committee members consist of wonderful people who are committed to working for the best interest of our single residents.

SNOWBIRDS OF WESTLAKE

Many of the Westlake residents go to Florida for varying amounts of time during the winter months. We meet at the Westlake Grille and receive all information before we start heading south. A directory-listing Florida and NJ addresses and telephone numbers of all members is given out in October. Dues are \$6.00 for couples and \$4.00 for singles. We look forward to seeing and sharing with each other.

TENNIS

The Tennis Club is unique in that all games are scheduled from Monday through Saturday by members willing to volunteer their time. All levels of skill are welcome. We will rate your level of play and place you on the schedule with comparable players. For a nominal fee, members have access to all tournaments, outings, inter-community tennis and social events. You may contact our Tennis Professional who can provide private and group lessons.

WINE LOVERS OF WESTLAKE

We are a club dedicated to the education and enjoyment of wine. Our meetings are held on the fourth Wednesday of the month in the Arts and Crafts room from 7:30 to 9:30. At these meetings, we present carefully evaluated selections of eight wines that are chosen to offer a good balance of quality and price. Our goal is to enjoy the wines and the camaraderie of other people who enjoy drinking wine in an intimate environment.

Besides our knowledgeable local sponsor, we also have excellent speakers from the wine distributors that educate us about the wines and the particular characteristics that distinguish them from each other and also foods to pair the wines with. To enhance the wine selections are accompaniments of cheese, nuts, chocolates and other items. Several times a year we serve pizzas or sandwiches and salads. In lieu of our monthly tastings we have a cocktail party and also, in addition, our yearly dinner dance with live entertainment. We enjoy a 15% discount on the wines that are presented monthly.

Dues are \$20 a year and tastings are \$15 for only the tastings you attend. For further information or to become a member, please contact: Betty Rose, 732-965-5351 or email bettyrose3746@gmail.com

WINE TASTING CLUB

Our goal and mission is to educate our members about wines. We seek to have fun while we learn how to taste reasonably priced wines, from all around the world, and learn how to pair wines with different food.

We taste up to eight wines at each meeting and there are occasions where we have a pairing theme, like different pizzas, or cheese with grapes and chocolates, and so on, at a cost of \$10 to \$15 per person. Twice a year, in place of our monthly meeting, we have wine pairing dinners in the Clubhouse Ballroom, our Lobster Fest in July, and our Holiday Dinner in December. At the end of each monthly meeting the member has an opportunity to purchase the featured wines at a discount.

Our meetings are held on the first Wednesday of the month, from 7:30PM to 9:30PM, in the Clubhouse Ballroom. Membership is open to all Westlake residents, there are no membership dues, and you pay only if you want to attend the meetings. For further information or to become a member please contact: Norm Gennarelli (732) 961-7687 ngennarelli@aol.com

WOMEN'S CLUB AT WESTLAKE

The purpose of the Women's Club is to promote service to the Westlake community; provide a social and supportive atmosphere; encourage activities that unite the community; assist and raise funds for charitable organizations and provide for Westlake community needs where appropriate. The club shall be autonomous and not for profit. Meetings are the 2nd Wednesday of the month.

We have had Mah Jongg and card parties, fashion shows, craft fairs and our largest fund raiser is for Susan G. Komen Race for the Cure. We have a kickoff dinner, a breakfast, a walk and a journal.

We have contributed to CentraState Hospital, Deborah Hospital, and Kimball Hospital as well as to Alzheimer Research, The Jackson Fire Department, the Jackson First Aid Squad, Kronos Disease Research and the list goes on and on. Please contact: Linda Piff at (732) 963-5773

WESTLAKE ANIMAL GROUPS

WAGs - Any resident with an interest in promoting the well-being of our furred and feathered home companions is welcome to join. We run several fund-raisers and activities throughout the year. Money and in-kind donations go to help the abandoned animals in the Jackson Animal Shelter, specifically by funding needed medical care. We accept donations year round, either in the basket in the coat closet in the Clubhouse, or by phoning for a pick-up. Please read our ad in the classified section of each month's Westlake Journal to know what we need.

Our group generally meets at 10 AM on the last Saturday of each month, in the clubhouse. Dues are only \$10 per home per year, lots of warm animal themed talk and friendly humans with whom to share your stories. Some of our activities: Paws for a Cause Walk in the spring, Golf Course Cart Path Safari, Lost Animal protocol, trained obedience dog demonstration, compassion after loss of a pet, animal nutrition, live sled dogs, veterinarian talks and live pet bird discussions. We can also provide consultations on any pet related topic. One of our most important services is providing in-our-home vacation care for your companion animals. We are always looking for foster homes and forever homes for our shelter animals.

We'd really like to get to know you and help you make friends with like-minded homeowners. Please contact: Susan Addelston, President - saddleston@gmail.com

THE WESTLAKE MEN'S CLUB

The Club is dedicated to doing good deeds and to enjoying ourselves in the process. We have contributed to many local and national charities. A weekly breakfast club and a nine hole golf club are the latest additions. There are always interesting speakers such as experts in medicine, legal affairs, finance, government, and education. The Club has sponsored many trips to various sporting events and places of interest throughout the tri-state area. In addition, the Men's Club sponsors a blood drive in September which has earned Westlake recognition as the largest one day contributor of blood among communities in Central New Jersey for over 12 years.

The Men's Club meets on the second Thursday of each month. Every male resident of Westlake is welcomed as a member. There are no dues, however, there is a nominal fee for attendance at the monthly meeting which includes a hearty breakfast.

For further information, contact Bob Rivere, president, at (732) 833-8384 docbob@optonline.net

YIDDISH CULTURAL CLUB

The Westlake Yiddish Cultural Club's purpose is to encourage and promote the knowledge and pride of the Yiddish heritage and to promote social and cultural activities and good fellowship among the members. Membership is open to any resident of the Westlake Golf and Country Club.

The club usually meets on the 3rd Sunday of the month at 10 AM. Our members have breakfast and then enjoy an entertaining program. Our club also hosts a very popular Spring Dinner Dance, a Passover model Seder with a complete kosher dinner, and a Chanukah party brunch and show.

There is a nominal annual fee to join. We look forward to meeting you.
