## **The Clubhouse**

Our 38,000-square-foot Clubhouse continuously undergoes upgrades and refurbishments. It includes a heated indoor pool, fitness center and aerobics room, a private upscale restaurant, and, for a quick drink and light fare, The Masters Pub. We host Broadway-caliber entertainment year-round in our state-of-the-art Ballroom, which is also available for private parties and special club events. Our game rooms are busy every night, with tables full of Mah Jongg and card players, and there are meeting rooms that host close to 50 diverse clubs for everyone's interest and enjoyment.

## **The Golf Course**

Our private golf course is a full-sized, 18-hole, 6300-yard, par-71 experience, which was designed by Arthur Hills. We have golf packages to fit everyone's needs. If you're retired and want to play 4-5 times a week, or if you are still working, we have very affordable membership options designed for you. You can have your own golf cart and drive right to the course, or we have new carts that you can rent. In 2019, we updated the bunkers and completed a major renovation to improve playability for all golfers, as well as a thorough makeover of the locker rooms. It's truly a treasure and the star of the Westlake community. Beautiful course! Reasonable rates! Great fun!

### **The Pro Shop**

Located in the Clubhouse, our Pro Shop is also directly accessible from the deck of the Lakeview Café. If you need new clubs, shoes, balls, tees, clothing - anything to enhance your own golfing experience - or a gift for a friend or family member - the Pro Shop is always available for your convenience.

### **We're Not Just Golf**

We have so many activities at Westlake for your enjoyment - our Tennis Club, the very popular Bocce Club, year-round swimming in two heated pools, walking trails, exercise clubs, onsite fitness center - are we tiring you out? Perhaps you might just like to sit on our Lakeside Café patio and enjoy a light snack while viewing the beautiful landscape, or you might take one of our excursions to New York City to see a show, or did we mention we are just a little over an hour from Atlantic City? Our concierge arranges bus tours there for a show, dinner, and for trying your luck at the gaming tables. We also benefit from the unique ecosystem of the Pine Barrens and 23 ponds, enabling an abundance of nature's wildlife to thrive and providing many opportunities for photographers.

## **Restaurants**

We are very fortunate to have three onsite venues for our Westlake residents' private use:

***The Westlake Grille***

***The Masters Pub***

Our attractive, well-appointed Westlake Grille is a unique feature among homeowner association amenities. As a Westlake Golf and Country Club homeowner, you and your guests will be able to enjoy lunch or dinner in your own private dining room in a country club atmosphere. While you're dining, enjoy a premium cocktail, beer, or wine from the bar. You can also "Bring Your Own" - another unique feature offered by Westlake. The Grille's adjacent Patio Garden Room gives diners a spectacular view of our beautiful Arthur Hills golf course. Both rooms are available for private parties and for club-sponsored luncheons and dinners.

Our new addition to the Clubhouse, The Masters Pub, has integrated four large-screen TVs, premium liquors, wines, beers, and a light food menu at very reasonable prices. The Pub throws themed parties to celebrate holidays and sometimes has a DJ to entertain the fun-seekers. The Master's Pub has been a success from the day it was launched! It's open five days a week for you to enjoy a quick snack and cocktails with your friends within a two-minute drive from your front door.

***The Lakeview Café***

The Lakeview Café, overlooking the golf course, is conveniently located on the patio adjacent to our pool areas. Golfers can have a cold beer and oversized hot dog on the turn to give them energy for their back nine holes...and all residents can enjoy the light fare while relaxing and taking in the remarkable view from the patio.

## **Outdoor/Indoor Pools**

Our heated outdoor pool is open from Memorial Day through the end of September with extended hours that accommodate your guests and our residents who are still working. With plenty of sun, shaded areas, and comfortable chairs, there is something to please everyone's needs.

The heated indoor pool is open year-round. You can take an aquacise class, swim laps, or just use the indoor pool for exercise on your own. Following an invigorating swim, you can relax in the whirlpool adjacent to the pool and then change clothes in our newly renovated locker room.

## **Financial Stability**

As a result of excellent planning by our Board of Trustees and Finance Committee, we have a very healthy Capital Reserve, which ensures the continued maintenance and upgrading of our community. Our monthly homeowners association fee includes access to all the amenities, upkeep of all common space, homeowners' lawn care (mowing and fertilizing), snow and leaf removal, and spring and fall clean ups.
